About Us

Welcome to the Clucks n Ducks website.
For more than 20 years we have been breeding all sorts of birds here at our 10 acre property located in the Beaudesert area of South East Queensland.

Apart from our chooks, ducks & pheasants we also breed a variety of Australian parrots & Australian Cattle Dogs. For details on our aviary birds & Australian Cattle Dogs please visit <http://www.clucksnducks.com.au>

Please take the time to have a look through the pages on our site to see the variety of birds we have & more to come. All our stock are humanely raised.
