

Keeping Backyard Chooks Presentations

DONVALE, VIC 3111
AUSTRALIA

Phone: 0424083057

My Green Garden presents talks to the public with down-to-earth and practical information on how to get started with keeping chooks in backyards - from small gardens to larger urban households. Particular emphasis is on integrating chooks into a productive garden. Talks are given to community groups, schools and to council-sponsored gatherings and last between 90 minutes and 3 hours in length.
