

From Poultry to Pigs to Pantry

PO Box 61
Kandos, NSW 2848
Australia

Phone: 0263588620

Morrigan Farm is permaculture designed farm near Mudgee NSW. We breed pure breed poultry, wessex saddleback pigs, dorper sheep and alpacas. We also sell lots of preserving equipment so any one who wants to have control over their food can safely process their own. We have a full safe online shop. If you are interested in homekilling your poultry or preserving your tomatoes pop along to our website and have a look around
