

# Laying boxes

---

Australia 6065

All my boxes are made from marine ply.

- best plywood available on the market
- termite resistant
- won't delaminate if it gets wet
- smooth surface so doesn't harbour lice and mites
- superior construction with all joints both glued and screwed
- look great and able to be stacked to make your own multi flock metropolis
- built to last
- free fake eggs with every box

2 sizes available

Small boxes have 300mm<sup>2</sup> bays and suit bantams, silkies, aruacana etc,

Large boxes have 350mm<sup>2</sup> bays and suit isa brown size up to your larger heritage breeds.

Custom sizes are available on request.
