Chief Steward - Andrew Ryall

The Game Fowl Club of WA was founded in Northam, Western Australia on the 28th August 2005, after two successful game shows in 2004 & 2005. Western Australia has not had an all hardfeather breed club until now and the response to this new club has been very positive. The Inaugural Annual General meeting was held at the second show to form this club. In 2007 the club became incorporated under the name Game Fowl Club of WA.
