History

Bullsbrook Poultry Club was formed in 1994 by passionate people with the pleasure of keeping poultry (chickens, ducks, turkeys and geese). With purebred poultry running in ducks and fairly close to the rare and endangered category it was decided to form a Club. As a Club we encourage people to keep purebreds as it doesn't cost any more to keep a combined, and you have the added pleasure of knowing you are doing your bit in keeping the breed going. As a Club we offer assistance and encourage new and old members. The Club also has informative and friendly monthly meetings to introduce breeds and poultry husbandry topics to members.

2011 Show

The Bullsbrook Poultry Club Annual Show is on Saturday 9th July 2011. Please contact the club secretary on 0439 921 796 if you are interested in a schedule. You will be put on the mailing list.
